

Marion **P**ublic **L**ibrary
Youth Agreement

2018-2019

In an effort to make all patrons feel welcome, we would like you to discuss, sign and return attached sheet. We all have to work together to make visiting the library an enjoyable experience for everyone.

- Students are welcome alone if they are in at least 3rd grade and have their own valid library card. They **MUST** bring their library card with them each time. They cannot participate without it.
- Once they leave building, they are asked not to return for the day. (No running around outside the building & coming back in)
- Children are expected to clean up after themselves.
- Children must have internet access form signed & on file to use the computer. One child per computer.
- Children are to show consideration and respect for ALL patrons while using the library.

**When they attend Monday's
Something Cool After School**

All previously stated rules apply as well as the following:

- Once students arrive, we ask that they turn their card in at the checkout desk and pick it up before they leave or when they check out items.
- There will always be planned activities for the children during **Something Cool After School**. Children can choose to participate in them, read, or do their homework. There is to be NO running around, playing hide & seek, etc.
- The iCreate room may be used for watching a DVD. There are 5 children maximum allowed in the iCreate room. Once you're in the iCreate room and you leave, you are not allowed back in the room that day. *You must be age 10 or accompanied by an adult to use the iCreate room.*
- We encourage checking out items during **Something Cool After School**.
- We enjoy your child(ren) coming to the library, but if your child cannot be respectful, they will not be allowed to participate in **Something Cool After School** in the future.
- Children should be picked up by 5:30 p.m. when possible; the library closes at 6 p.m.

Thank You
