

Dear Patrons,

In response to COVID-19, the Marion Public Library will be closed beginning Tuesday, March 17 and will remain closed until further notice. We will be available by phone (715) 754-5368, email (lhopp@marionpubliclibrary.info) and Facebook message if you have any questions or concerns. This decision was not taken lightly, but we feel it is for the best.

At this time, materials can be returned in our book drop in the back of the building. However, we encourage you to keep your materials until further notice. Contact us and we'll gladly work to extend your due date. If you have materials on hold, we would recommend freezing them at this time. Please contact us if you need assistance with freezing holds.

During the closure, we encourage you to use our digital services available to you with your infosoup card. Visit our website (marionpubliclibrary.info) for more information.
