

Marion Public Library

Something-Cool-After-School agreement

2025-26

*In an effort to make all patrons feel welcome,
please read this agreement with your child.*

Sign it, and return the attached sheet to the library.

- Students are welcome to attend alone if they are in at least 3rd grade and have **their own** valid library card. They **MUST** bring their library card with them each time. A great way to remember the library card...put it in your child's backpack!

* Don't have a library card? It's easy to get one. Parents, bring your driver's license & proof of address to the library, fill out a registration form, and get everyone in the family a card. It's the most important card in your wallet! *

- Once students arrive, we will collect library cards at the checkout desk and return them before they leave or when they check out items.
- Children are expected to clean up after themselves.
- Children are to show consideration and respect for ALL patrons while using the library.
- There will always be organized activities for the children during **Something-Cool-After-School**. A snack will be provided for those who participate, and children will be given time to browse shelves and check out library items during their time here. There is to be NO running around, playing hide & seek, etc.
- We encourage checking out items during **Something-Cool-After-School**. This is a great way to support your library.
- We enjoy your child(ren) coming to the library, but if they cannot be respectful, they will not be allowed to participate in **Something-Cool- After-School** in the future.
- Children should leave or be picked up by 5:30 p.m. when possible; the library closes at 6 p.m.
- Have a suggestion or an idea for **Something-Cool-After-School**? Tell Miss Kelly, and she will consider your ideas!
